Ladies' Aid Society Meets With Mrs. William Kramer—Party at the Home of Miss Mary Fox—Personal and Notes.

The Ladies' Aid society of the Greenville Congregational church met Tuesday night with Mrs. William Kramer at her home on Central avenue. Mrs. Jeannette T. Lathrop presided at the meeting. A letter was read from Miss Huntington of the Hindman school of Kentucky telling of the work planned for the coming year. Plans for the sale which is to be held in the middle of the month were completed. The regular routine of business was transacted. Following the business session, a social hour was enjoyed. Musical selections were rendered by the ladies. Refreshments were served by the hostess, assisted by Miss Letitia Kramer and Miss Ruth Henderson.

Party for Miss Mary Fox.
A very enjoyable evening was spent Monday at the home of Miss Mary Fox of Tenth street. The evening was spent with music and games. Several piano selections were delightfully rendered by Miss Anna Winters. Miss Rose Morris sang I Hear You Calling Me, Caravan, and I Hear You Calling Me. Mrs. C. H. Brown, who presided, rendered Ireland Must Be Heavens. My Mother Came from There. Dainty refreshments were served by Mrs. Fox. During the evening dancing was enjoyed.

Hiked to Baltic.
Three local young men took an extended hike last Sunday. The young men walked to Baltic and return, going by the way of Yantic. Those in the party were Allen Brown, Milton Osborne and Walter McNeely.

Notes.
Mrs. William Potter has returned from spending the week end with relatives in Groton.

Delegates from the three local chapters of the King's Daughters will attend the state convention to be held at Williamstown Wednesday and Thursday.

Y. M. C. A. AUXILIARY.
Opening Meeting Held at the Home of Mrs. Charles A. Prentice.

The opening meeting of the Women's auxiliary of the Y. M. C. A. was held at the home of the president, Mrs. Charles A. Prentice, Tuesday afternoon. It was well attended. Reports from the secretary and the treasurer were read and accepted and the usual routine business attended to. General Secretary Edwin Hill gave an informal talk on Y. M. C. A. work at the convention at Silver Bay, Lake George.

Mention was made of the coming state convention of Y. M. C. A. auxiliaries to be held in New London Oct. 12 and 13, and members from Norwich were urged to make an effort to attend.

The members were greatly pleased with the artistic playing of Miss Olive Riley, who was heard in two of McDowell's selections, "Whispering Dance" and "Scottish Poem," and later in Rachmaninoff's Prelude in C Minor. Tea was served and a pleasant social hour was enjoyed.

When your kidneys are weak and torpid they do not properly perform their functions; your back aches and you do not feel like doing much of anything. You are likely to be despondent and to borrow trouble, just as if you had not enough already. Don't be a victim any longer.

SHIPPING RIFLES TO BELGIUM

Hopkins & Allen Arms Company Have Delivered First Consignment to Belgian Government—Delivery Made Within Thirteen Months From Receipt of Order—Shipments to be Made Regularly From Now on.

That the Hopkins & Allen Arms company have delivered their first rifles to the Belgian government was the statement given out by J. H. Drury, treasurer of the company, who was in Norwich on Tuesday. The statement is of much interest to the people of Norwich, who have been watching the progress of the arms company since it took the big order for rifles for the Belgian army. Rifles are now being completed in large numbers at the plant and shipments are to be made regularly from now on.

The statement given out by Treasurer Drury is as follows:
"The Hopkins & Allen Arms company have delivered their first rifles to the Belgian government."

"The first rifles made and tested out by the representatives of the Belgian government were pronounced excellent and passed every inspection. The character of the rifles in every respect is of the highest grade. One of the

most remarkable features in connection with these rifles was that there was absolutely no rejection. Every rifle that was assembled passed the most severe and critical tests.
"This is a matter of pride to us, inasmuch as we believe no similar condition has existed with any other company manufacturing rifles for foreign governments."

"The company is now proceeding to get out the rifles in large quantities and the prospects of the company are exceedingly bright. Shipments will be made regularly and we hope soon to reach the maximum amount of production."

"The above facts are a matter of pride not only to the company but to the citizens of Norwich. The fact that this first delivery was made within a period of 13 months from receipt of order is a condition unparalleled in the history of any other contract received in this country."

Walter A. Peck of this city has accepted a position as teacher of chemistry at the Burlington university. Mr. Peck is a graduate of the Norwich Free Academy, class of 1912, and of Colgate university, class of 1915, graduating with honors at Colgate. During last year Mr. Peck and four other classmates were allowed a furlough of ten weeks, as their standing was high enough to procure them this

extra vacation. Mr. Peck substituted in the high school at Windsor Locks at that time. While at Colgate he took great interest in the college track team, winning four silver cups and several gold medals. He holds the Colgate record for high jumping, four feet and eleven inches. Mr. Peck is the son of Byron W. Peck of 55 Spruce street. His many friends are pleased to learn of his success in his chosen profession. Burlington university has a student roll of 600 names.

THOMAS MOTT OSBORNE
TO SPEAK IN NORWICH.
Warden of Sing Sing Prison Will Be Entertained by Y. M. C. A. Auxiliary.

The Women's auxiliary of the Y. M. C. A. of Norwich is to have the honor of entertaining a resident of the Mott Osborne at a luncheon to be given at the Wauregan house Oct. 20 at 2 o'clock. The various committees in charge are anxious to give Mott Osborne one of the most brilliant affairs of his kind ever held in this city. Mr. Osborne will speak of the reforms he is establishing in Sing Sing prison. Rev. Clarence M. Gallup, D. D., of Providence, who is well known in Norwich and always welcome, will have a place on the program, as will also George S. Palmer of New London. Mr. Palmer, formerly a resident of this city, is a most entertaining speaker as well as a successful worker in whatever he undertakes. New London owes much to Mr. Palmer for his share in securing their fine new Y. M. C. A. building which the association now occupies.

Because of the prominence of Mr. Osborne the committee anticipate a great demand for tickets and regret that they are compelled to limit the invitations to their membership, but will extend the privilege, while the tickets last, to any who may wish to become members before that date.

Through the courtesy of the Wauregan house management, 49 additional tickets will be about the hall. For these the committee will issue tickets of admission, without charge, to the first 49 men calling at the Y. M. C. A. building on Saturday morning of this week, after 9 o'clock. These will be limited to the supporters of the local organization, no telephone calls being accepted. Because of the capacity limitation of the dining room this invitation was decided upon as the arrangement to give all an equal chance of hearing Mr. Osborne and of enjoying the rest of the programme.

Of course, there will be music and flowers and all that add to the artistic pleasure of such an occasion.

Has Entered Columbia University.
Mrs. John B. Ott of Pearl street has returned from New York, where she was with her daughter, Miss Grace Ott, at the Whitaker house of the Columbia university. Miss Ott has entered the Columbia university for a two-year course. Although she will take up languages and other studies, she will specialize in a course of secretarial work.

TEAMSTER KILLED
BY FALL FROM WAGON.
Peter Plante Dies as Result of Injuries—Wagon Wheels Pass Over His Body.

Peter Plante, aged 42, employed as a teamster by George G. Grant, was almost instantly killed about 11:15 Tuesday morning when he fell from the wagon which he was driving.

Mr. Plante, who has been employed here as teamster for the past six months, was driving a two-horse team loaded with two tons of coal which he was to deliver to a family on North A street, and in order to do this he was obliged to drive into a narrow driveway off the main street to the rear of the house. Although no one saw Mr. Plante when he fell, it seems that in turning into the driveway he was jolted from the seat by the wagon striking the curb and fell between the horses. Several people residing in that vicinity heard Mr. Plante call out "Whoa!" twice to the horses, and, rushing out, found him lying on the ground, moaning, in an unconscious state. A physician was sent for, but Mr. Plante expired within a few minutes. Medical Examiner C. C. Gildersleeve was summoned and pronounced death as accidental.
